

FYP Management System

Please pay attention to the following **submission guideline**:

1. Students **submit the report on FYPMS directly** and are not required to seek endorsement from supervisors before submission.
2. Supervisors read and decide to **accept or reject** the report within 1-week time (for monthly report is 5-days time).
3. If the report is **rejected**, students need to **resubmit** the revised version on FYPMS in 1-week.
4. After the resubmission, supervisors read and decide to accept or reject the resubmitted report within 1-week time.

Select "Report" and then click on "Upload"

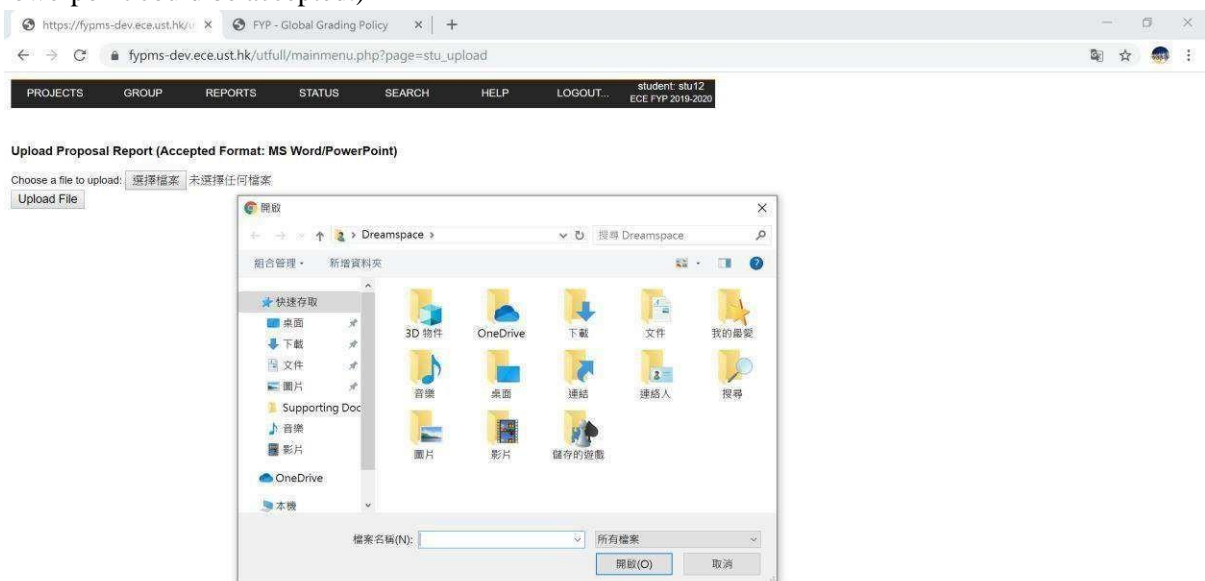

Here you can see a list of report items and their due date.

To upload a report, select the drop down menu under the box "Upload Report" and then select the report you want to submit. Click the button "Submit".

Click “Browse” to search for the file you want. (Please note that, only MS word file, PDF file and Powerpoint could be accepted.)

After selecting the file, click “Upload File”

A confirmation page is displayed.

When you go back to the upload page, you can see that the file is now displayed under “Submission Information” with the date and time of submission.

The screenshot shows a web interface for the ECE FYP 2 submission system. At the top is a navigation bar with links: PROJECTS, GROUP, REPORTS, STATUS, SEARCH, HELP, and LOGOUT... The user is logged in as 'Student ECE FYP 2'. Below the navigation bar, it says 'Your current group no. is stu12'. The main content area features a table with three columns: Report, Submission Deadline, and Submission Information: Filename (Size in Byte) (Submission Date). The table lists various report types and their deadlines. The 'Proposal Report' row shows a submission deadline of Sep 19 2019 and a submission record with filename 'stu12_S201a-19_Prop.docx' (11880B) submitted on Sep 11 2019 at 13:31:24. Below the table is an 'Upload Report' section with a dropdown menu currently set to 'Proposal Report' and a 'submit' button. At the bottom, there is a link for 'Report Guidelines and Templates'.
